Re: Interest on Certificate of Deposit (CD), Lynn Springs Quarry, M/003/025, Box Elder County, Utah

Dear Mr. Bown:

The Division is in receipt of a check from US Bank, for the November interest earned on Certificate of Deposit # [redacted], which is being held for reclamation of your Lynn Springs Quarry. We contacted the bank inquiring why this interest had been sent to us and were informed that your account with US Bank had been closed.

The language in the Certificate of Deposit directs the bank to deposit the earned interest into your personal account. At this time we are directing you to either: (1) re-open an account with US Bank, so that the interest can be deposited into that account, or (2) notify this Division that you would like this interest deposited into an alternate account with another bank. If you choose option two, we will need the bank's name, address and your account number. We will forward this information on to US Bank so that they can make the appropriate arrangements to send the future accrued interest to your alternate account.

Thank you for your prompt attention to this matter. We will hold this check and any future checks we may receive until we hear from you. Please contact me, Lynn Kunzler or Joelle Burns of my staff in reply.

Sincerely,

D. Wayne Hedberg

Permit Supervisor
